

**Thank you for Not Feeding us Bread**

**Bread makes us ill, as it does not contain the right nutrition or calories that we need to keep us warm in winter.**

**Rotting bread pollutes our water and causes nasty surface algae, which kills our fish and gives us diseases. It also makes our water smell.**

**We do like:**

**Half cut seedless grapes, cooked rice, birdseed (any type of mix), peas, corn, oats, chopped lettuce.**
