

Canal &  
River Trust

Keeping people, nature & history connected

## Interested in Wildlife? Can you help us in a Worcester Wildlife Survey

### Tell us what you see!

In a nutshell, we're looking for people to **stroll along designated areas of canal**. We would like to help identify all manner of wildlife along the canal within the city limits, with the aim to improve connectivity with the wider landscape in the future.

## 30<sup>th</sup> March to 2<sup>nd</sup> April

This means **helping identify wildlife gaps on the waterway**. So why not get out this Easter weekend, even if you're not sure what you're seeing, we will have people out and about to help, or **#wwild2018** to our Instagram page. Who knows what you might see?
